

Survey for the Leoni Township Recreation Plan

Your Opinions Matter

Leoni Township is developing the third edition of its 5-year recreation plan. Approval of the new edition by the Michigan Department of Natural Resources (MDNR) will make the Township eligible to apply for MDNR parks and recreation grants. Soliciting comments from the general public is a requirement of the 5-year plan; it is also good public policy. Please dedicate the short time required to take this survey by July 12, 2021. Your opinions are wanted and needed. Thank you!
