**NEW BUSINESS:**

**OLD BUSINESS:**

**1. Master Plan**

**DISCUSSION:** D. Perrine stated that the Master Plan sub committee talked about looking at the maps and defining the areas of properties for potential rezone. Don't think the sub-committee is the proper venue for defining the properties that are potentials for rezones.

R. Kinch: I agree but was thinking of it from a time perspective. Does the Planning Commission have the time to sit and look at the maps and define the potential areas for rezone.

D. Perrine: I also think it should be the Planning Commission because it would be a public venue.

*Motion by R. Kinch, supported by V. Beckwith, to adjourn the meeting at 6:16.*  
***Motion adopted by voice vote***
